Proposed Regular Meeting Schedule

“Regular meetings

A public body schedules regular meetings by adopting a resolution setting the time and place of the meetings. This information must be made available to the public on request. 1 V.S.A.

§ 312(c)(1). When a board meets regularly on, for example, the first Tuesday of every month, the law does not require additional public announcement or posting of these meetings so long as the time and place has been clearly designated by resolution or other determining authority (statute, charter, regulation, ordinance, or bylaw). Public bodies must, however, create and make available meeting agendas for regular meetings. 1 V.S.A. § 312(d)(1), (2).”
