

Online Academic and Career-Related Resources

EBSCO *LearningExpress Library*® provides you with easy-to-use access to relevant interactive tutorials, e-books and test preparation to help improve academic skills in reading, writing, math, social studies and science. Included are career-related information and test preparation for college admissions, professional career licensing and certification, high school equivalency and citizenship, and much more.

Something for Everyone in Targeted Learning Centers:

- School Center
- College Admissions Test Preparation
- College Students
- Adult Core Skills
- Career Preparation
- High School Equivalency and GED® Test Prep
- Recursos para Hispanohablantes (U.S. version)
- Citizenship, TOEIC®, and TOEFL® Center (Canadian version)

This project was made possible in part by the
Institute of Museum and Library Services.
