### **Designing the perfect board**

### **Exercise: Brainstorm your board**

- Skills. What skills do they need to be effective?
- *Qualities*. How do you want them to act?
- Representation. Who needs to be involved?

### 3 ways to use this tool

- Rate the board as a whole
- Rate board members individually
- Self-evaluation

## Simple scoring system

- + outstanding
- $\sqrt{adequate}$
- poor
- ? don't know

#### Use this tool to

Identify gaps on your board

Proactively recruit people to fill those gaps

The alternative – "I know a guy..." – results in a randomly-created board...and you get random results.

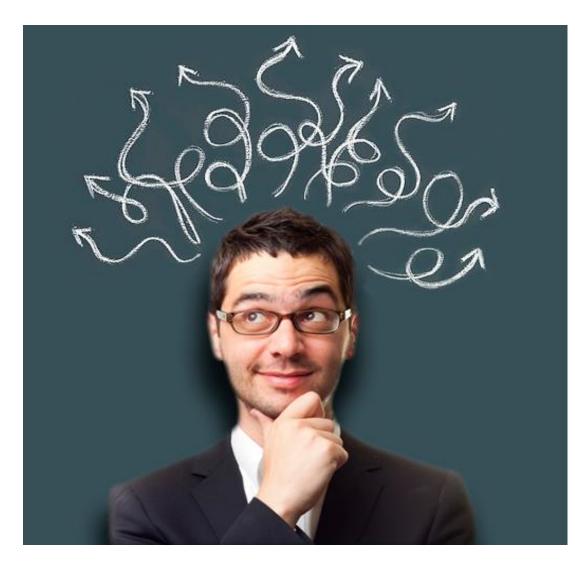

#### Why you need a board job description

- Sets clear expectations
- Helps with recruitment
- Clarifies what board members can expect from the organization
- Weeds out poor candidates

#### **Exercise:**

#### **Review sample job descriptions**

#### **Board orientation strategies**

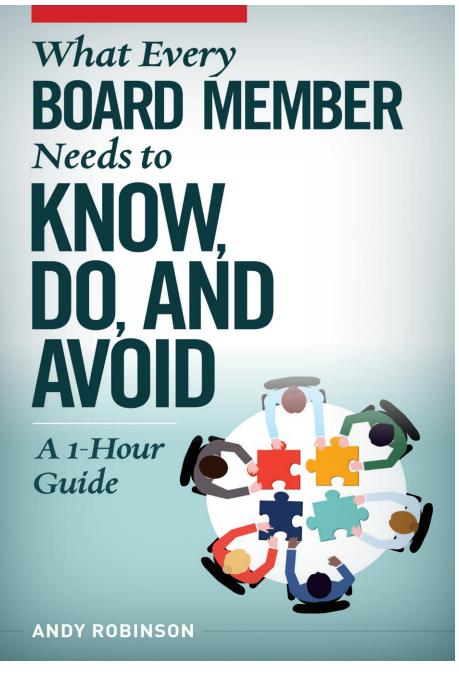

- Board manual
  Annual "day in
- Orientation event the office"
- Buddy system
  Board retreat
